To whom it might concern,

I had the pleasure to work with Adrian on multiple projects since we first meet (more than 10 years ago). I have to admit we became friends, so everything I'm saying may be considered subjective. Well... it is, and I'm proud I can be subjective about him.

To keep it short, I would not recommend anybody to hire Adrian if the position available doesn't involve creativity, is not challenging or doesn't allow him to showcase his imagination.

The fact that our relationship lasted over the years, allowed me to know him inside-out, so if you want to find more about him, give me a sign on office@bogdanpavel.com or +353.83.4088572 and I'll tell you all his dirty secrets :).

Best Regards,
Bogdan Pavel
